

2023 Talawanda Bands Wreath Sale Instruction Sheet

- 1) Our sale runs through Friday, September 2, 2023. Please collect money when taking orders. The order form(s) and any money collected are due back to the band directors in the wreath sale envelope on **FRIDAY, September 2, 2023**. Any outstanding balances will be invoiced at the time of wreath pickup. Please be sure that **ALL** information on the front of the envelope is completed. **Orders turned in after September 2 are NOT GUARANTEED TO BE FILLED.**
- 2) Your envelope includes:
 - a color flier with the wreaths and roping listed by size and price
 - an order form to record your sales
 - this instruction sheet
 - If you sold last year, a copy of your 2022 order form
- 3) **All checks are to be made payable to the Talawanda Band Boosters.** Additional copies of the color flier and order forms are available on the Talawanda Bands Facebook Page, from your director or by emailing talawandabands@gmail.com.
- 4) **Everyone** – Call friends and family and call on local businesses to buy wreaths. It is highly advisable that you go back to the people and businesses who purchased last year again. Have your parents take a copy of the order form to work. The wreaths are very popular in our community. Every year we receive calls from community members after the sale who wanted to purchase but no one contacted them.
- 5) This is our biggest fundraiser and it helps support all of our bands. It helps with **Pay to Play Fees, Music in the Park, Instruments, etc.**
- 6) Wreaths are ordered from Shademakers Nursery and Landscaping at 304 Collins St. The wreaths will be available for pickup at Shademakers on **November 18 (10am-5pm) and November 19 (Noon-3pm)** in time for Thanksgiving delivery. The wreaths need to be delivered in a timely manner to maintain freshness. **Students and their families are responsible for picking up the wreaths from Shademakers and delivering the wreaths sold to their own customers.** Failing to do so will result in forfeiture of all incentives and prizes.
- 7) **TMS Band members** earn 5% of wreath sales towards their band bucks accounts. This is a great way to earn money to offset fees for Music in the Park, as well as other fees agreed upon by the band directors and Band Boosters. Amounts will be credited to family accounts in December 2023.
- 8) **Awards** - Talawanda Band Boosters are offering the following: (Gift cards will be from local businesses as well as Amazon.)
 - Drawing for a **\$50 gift card**. Each student will receive one entry for each \$100 worth of items that are sold...so the more you sell the more entries you receive!
 - The Top Seller will earn a **\$50 gift card and bragging rights**.
 - Anyone selling over \$1000 will earn a **\$15 gift card**.
- 9) **Siblings/households sales can be recorded on one order form.** Each household's goal is to sell \$750.00.
- 10) If you have any questions, please send an email to talawandabands@gmail.com.

Good luck and good selling! Thanks for your support of the Talawanda Bands!

Checks payable to: **Talawanda Band Boosters**
